

Benny's American Burger lands in Takapuna

The wait is over, burger lovers! Benny's American Burger, the cult-favourite from Australia, has officially landed in New Zealand. Known for its bold, juicy, and indulgent burgers, Benny's is bringing its mouth-watering creations to Auckland, with its first location at 100 Hurstmere Road, Takapuna.

From towering signature burgers packed with premium ingredients to irresistible fried chicken, thick shakes, and epic sides, Benny's has built a reputation for delivering big flavours and even bigger portions. Now, it's time for Kiwis to discover what makes Benny's one of Australia's most talked-about burger joints.

An international first for Benny's

Founded in 2013, Benny's American Burger has rapidly expanded across Australia, with thriving locations in Adelaide, Melbourne, Brisbane and the Gold Coast. The Auckland launch marks the brand's first international expansion, making Takapuna home to New Zealand's newest burger obsession.

"We couldn't be more excited to bring Benny's to New Zealand. We've always believed in crafting seriously good burgers with premium ingredients, bold flavours, and no shortcuts. Now, Kiwi food lovers will experience what sets Benny's apart – from our juicy patties to our legendary crispy chicken and stacked creations," said Ish Chatwani, of Benny's American Burger New Zealand.

What's on the menu?

Benny's signature burgers will take centre stage, including:

- The Famous Kiwi Burger – A must-try New Zealand classic featuring beef, bacon, egg, cheese, beetroot, and bbq sauce.
- The Iron Lotus Burger – A towering masterpiece with prime beef, crispy chicken, pulled pork, and bacon.
- Spicy Veggie Burger – A bold vegetarian option with a black bean and chickpea patty, jalapeños, and hot habanero mayo.
- The Bigger Than Texas Burger – For the true burger gladiators – double beef, crispy chicken, pulled pork, bacon, and double cheese.

And that's just the beginning – expect next-level loaded fries, thick shakes, and an exclusive line-up of craft beers and cocktails.

Benny's brings the heat: The Spicy Chilli Burger Challenge

Benny's is not just about big burgers – it's about big challenges. The Spicy Chilli Burger Challenge, a cult hit in Australia, is set to arrive in New Zealand soon. This fiery, waiver-required burger will test even the bravest spice lovers. Auckland, consider this your official warning.

Visit Benny's American Burger – now open in Takapuna

Benny's American Burger is officially open and ready to serve Kiwis the boldest, juiciest burgers in town. Whether you're craving a classic American cheeseburger or a one-of-a-kind burger challenge, Benny's delivers big on flavour, fun, and foodie culture. ●

Tok Tok for all the yummy mummies!

Nestled in the heart of Takapuna and just a short stroll from the beach, Tok Tok is the perfect place to treat mum this Mother's Day – and every day. Known for its vibrant atmosphere, bold Southeast Asian flavours and stylish setting, Tok Tok offers an unforgettable dining experience that brings people together over food worth celebrating.

This May, we invite you to slow down and savour the moment with the most important women in your life. Whether you're planning a long lunch, a special dinner, or a laid-back weekend catch-up with mum, Tok Tok makes it feel effortless – and delicious. It's all about great food, warm hospitality, and moments shared around the table. Our menu is inspired by the rich culinary traditions of Thailand, Vietnam, Malaysia and beyond – re-imagined with a Kiwi twist. It's a place where scallops meet caramel pork belly, where tamarind, lemongrass and chilli sing in perfect harmony. With dishes designed to be shared, our food brings people together, inviting conversation, laughter, and second helpings.

From crowd-pleasing favourites to bold new flavours, Tok Tok's kitchen is always buzzing with creativity. Whether you're craving something comforting or adventurous, there's something on the menu to satisfy every palate – and plenty of options for gluten-free, vegetarian, or plant-based diners too. To elevate the experience even further, our drinks list is full of bright, playful cocktails and thoughtfully curated wines that perfectly complement the menu. Whether you're raising a glass of rosé in the sun or sipping on a zingy lemongrass infusion, there's no better place to toast the occasion.

But it's not just about the big moments. Tok Tok is open seven days a week, with options for everything from a quick weekday lunch to a lively group dinner. Our heated and covered terrace means you can dine in comfort year-round, rain or shine. It's a space that feels both vibrant and relaxed, with the kind of welcoming energy that keeps locals coming back again and again. Whether you're a local or a visitor, there's something special about dining at Tok Tok. Our inviting setting is designed for all kinds of gatherings, whether it's an intimate meal for two, a family celebration, or a lively group catch-up. We've got the perfect balance of atmosphere and flavour, making it an experience that's both fun and memorable. For every occasion, big or

small, Tok Tok is here to help you create lasting memories over delicious food.

Looking for the perfect gift? A Tok Tok gift card gives mum the freedom to choose her favourite time to dine – and it never goes out of style. Whether she's celebrating with family, catching up with friends, or enjoying a quiet evening out, Tok Tok is always a good idea.

So this May, make it Tok Tok. Celebrate the mums, the aunts, the step-mums, the grandmas, and all the incredible women who show up with love, strength and style – just like our food. Book now for Mother's Day, or pop in any time the craving hits. We can't wait to welcome you.
