“We support Channel, because this publication is community focused, reaching a broad range of our target customers and is widely read around the North Shore.”
Mary Buckley, helloworld Travel Milford & Browns Bay

“Being in Channel since the beginning has shown me that advertising needs sustained effort over a long period of time to get noticed. It gives us good results.”

Alex Coburn, QPC Build Group

“We have been supporters of Channel Magazine with advertising since it started around 10 years ago. We continue to use it as a key ingredient for promoting Takapuna Beach and everything it has to offer. We love the positive focus of the articles, the reach it has across the North Shore and readership feedback we receive. I highly recommend it.”

ADVERTISING OPPORTUNITIES

Channel is a strong advocate of shopping locally. We passionately encourage readers to support local businesses, thereby contributing to the local community and economy. We have established a strong base of local business advertisers who have found Channel a solid, effective means of advertising their products/services and increasing sales.

Our rates are priced very reasonably, with a view to encouraging frequency and continuity from our advertisers for greater recognition and cumulative impact.

We aim to maximise our editorial-style content so offer special rates for advertorials. These are very effective, allowing interesting commercial stories to be told and businesses to engage editorially with our readers.

We also run regular columns by contributors who provide monthly topical copy content relating to their business, for an affordable monthly charge. Many contributors have found this to be a highly effective means of establishing and promoting themselves as authoritative in their field of expertise.

All content is also on the popular channelmag.co.nz website and much of this is also promoted via social media.
